## Rise Courses:

The screenshots below show samples from courses I have created using Articulate Rise 360.

This interaction in the first image was built using Storyline 360 and embedded in the course.

The screenshot shows a course interface for "Cultivating Hope" with a progress indicator of 14% COMPLETE. The sidebar menu includes: Recovery (checked), Family Culture (selected), The Treatment Team, The Treatment Plan, Jane's Journey, Laws and Guidelines, and Summary and Resources. The main content area contains the following text: "All families are unique with their own traditions and cultures. Take a moment to think about your family. In the text box below, or in a personal journal, respond to the following questions about your family's traditions and culture. These responses will not be saved, so if you would prefer to record your thoughts in a personal journal, go right ahead!" Below the text is a text input box with the questions: "What are the words you use to describe your family?", "How would you describe a good day for your family?", and "What things are important for your family to celebrate?". To the right of the text box is a small icon of a notepad.

The screenshot shows a course interface for "Cultivating Hope" with a progress indicator of 29% COMPLETE. The sidebar menu includes: Recovery (checked), Family Culture, The Treatment Team, The Treatment Plan (checked), Jane's Journey, Laws and Guidelines (selected), and Summary and Resources. The main content area features a red square with the number "1" at the top. Below it is the title "The Health Insurance Portability and Accountability Act" and a black and white photograph of a stethoscope. The text below the image reads: "The Health Insurance Portability and Accountability Act (HIPAA) of 1996 is a law that was designed to protect a person's medical health information and access to".
